

The weather is certainly becoming cooler as we move into autumn. It is a lovely time of year when the trees put on a spectacular display of colour. We hope you enjoy reading our Autumn Newsletter.

Thank you once again for your support.

News from Samuel . . .

Hello everyone,

I hope you are all doing fine. I would like to let you know that I started my internship at Webuye County Hospital on 5 September.

I am doing my first rotation which is in the Casualty Department dealing with emergency conditions. I also see patients at special clinics such as the Dental Clinic, Eye Clinic, Diabetic Outpatient Clinic and Hypertension Clinic as well as the Psychiatric Clinic.

I am set to finally graduate and obtain my degree certificate and full transcripts on Tuesday, 18 November, 2022. The Graduation Ceremony will take place in the university grounds. This will be a very important and special event in my life as it will mark the peak of the realization of my dream.

I will make sure you get photos and videos of this great event.

Thank you so much for your support this far, without you all this maybe would not have come true.

Yours sincerely,

Samuel Ochieng Agai

Books and Bread for Kenya update . . .

Trustees Margaret and another Margaret have recently visited Kenya. They had a lovely day out with the children and staff from Gates of Joy Orphanage and School. They took everyone to the beach and played games then enjoyed some food together. It is BBK's first visit to Kenya since Covid prevented travel.

Every child no matter where they are born deserves the right to succeed in life.
